ABOUT US

Parties, music and people are Rollover's heart.

Since 2012 we bring the best disco-house music from international scene in Milan, putting up our people in a true itinerant musical gathering.

Each party is unique and different from others, we find out the coolest locations in the city and turn into the stage where Rollovers come across their stories.

DJs that animated our parties, last united to our moods dedicating us exclusive mix, so Rollover becoming a complete musical project.

Music has the power to improve things, for this reason Rollover opted for overtaking night's limits with the creation of customized playlists for every situation.

Rollover's spirit has been chosen by international brands, who with us, gave life to that familiar mood you can breathe at our parties.
